

JAL JEEVAN MISSION

'Tap-water to every rural household by 2024'

Functional Household
Tap Connections
(FHTCs) to 191.3 million
households

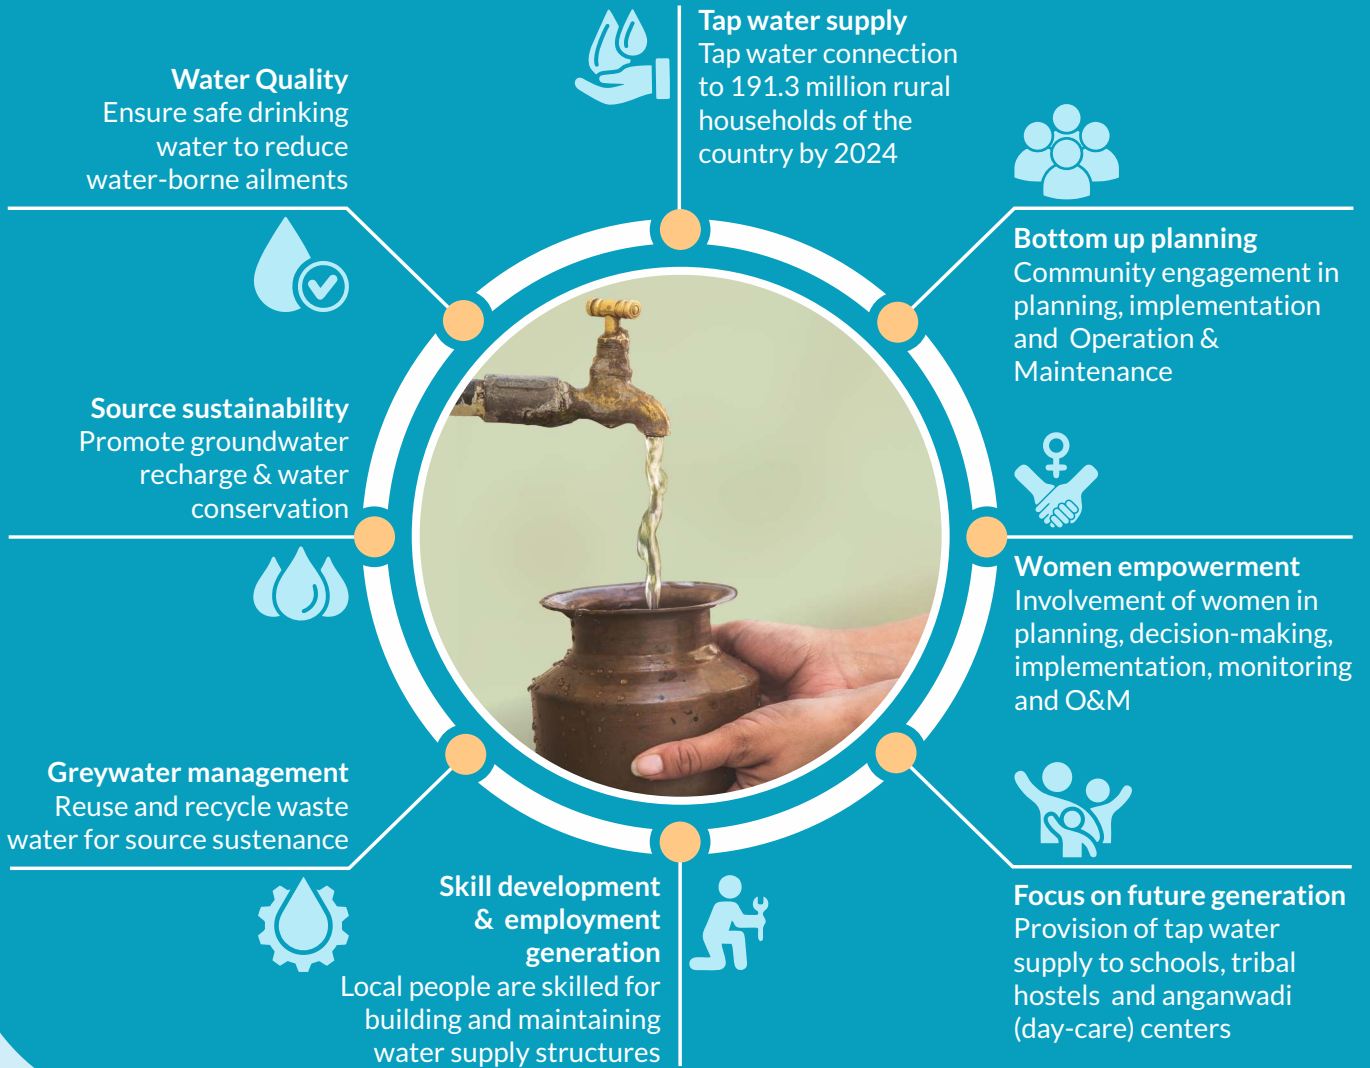

Adequate quantity (55 lpcd)
Prescribed quality (BIS: 10500)
On regular and long-term basis

- ◆ On 15th August 2019, as India celebrated 73rd Independence Day, our visionary Prime Minister Shri Narendra Modi, announced Jal Jeevan Mission - 'Har Ghar Jal'.
- ◆ The scheme aims to improve quality of life by ending age-old drudgery faced by women & young girls in collection of drinking water.
- ◆ End-to-end management of water: from source sustainability to greywater management.
- ◆ Vibrant community ownership and engagement for long-term sustainability.

PROGRESS AT A GLANCE

Physical Progress

Tap water coverage has increased from 32.3 million to 96.2 million households.

Significant improvement in remote areas

5-fold (504%) increase in FHTCs in 117 remote and socio-economical backwards districts from 2.43 million to 14.69 million.

Increase in FHTCs from 0.8 million to 13.20 million in 61 districts affected by Japanese Encephalitis/ Acute Encephalitis syndrome.

In 50 thousand water quality affected habitations, safe water made available through FHTCs.

Water Supply in Institutions

860 thousand additional schools, 889 thousand anganwadi (day-care) centres and 35 thousand public institutions benefitted.

Community Engagement

496 thousand Village Water and Sanitation Committees with at least 50% women.

More than 406 thousand Village Action Plans developed detailing costing, implementation schedule, Operation & Maintenance, source sustenance.

Water Quality

2,038 water testing laboratories are open for public to test water samples at nominal rates.

1 million women trained to use Field Test Kits to check the quality of water supplied at source/ at home.

Building Partnership

217 organizations as 'Sector Partners'.

104 academic institutions/ NGOs as Key Resource Centres for capacity building.

5 Centres for research and innovation in partnership with Premier Academic Institutions (IITs).
